REF : Contracting Officer's letter dated 25 May 1962

1. Reference is made to your letter dated 25 May 1962, in which you request information pertaining to the present classification for the invention of a receiving system for phase coded signals for which an application has been filed by the contractor.

2. The contractor's invention is still classified SECRET/NOFORN; therefore, it is requested that the patent issue be placed under a secrecy order under the appropriate provisions of the law as indicated in your letter.
